

PORTFOLIO

Client: Teriyaki Experience

Role: Designer, Production

Skills: Problem Solving, Creative Thinking, Time Management, Illustrator, Photoshop

Project: In-store Promotions

While at BTI, I have designed promotional POS materials for Teriyaki Experience, launching the brand's salmon meals while enabling the consumer to design their meal.

I was responsible for concept, design development and production of all in-store promo materials consisting of duratrans, wobblers, sneeze guard clings and more.
